

GUIDELINES FOR AUTHORS

1. Papers must be clearly typed in English. The paper submitted must be original and not previously published in any other journal either in printed or in electronic form. It also must not be in the process of being reviewed for publication in any journal and whatsoever.
2. *Purbanchal University Research Journal* encourages the authors to submit their article in both hard and soft copy in Microsoft Word (2007) or rich-text files using Times New Roman 12 font size on the mentioned email ID. The hard copy must be duly signed on each page and sent on the mentioned postal address by fast post. Page margin should be 1 inch from each side.
3. The paper must be within the limitation of 3000-7000 words including illustrations, graphs, and charts. The paper should mention the time period in which the work was conducted.
4. The paper must have abstract of 200 words maximum and 3 to 5 keywords in alphabetical order. Key words provided should not repeat the words already included in the title of the paper.
5. Strictly, current A.P.A. Citation (A.P.A. 6th Ed.) must be followed eg. [Author, T. S. (Year). *Title of Work*. Location: Publisher.] Foot notes should be strictly avoided.
6. The authors will be held accountable for their articles and, therefore, the articles published in *Purbanchal University Research Journal* will not reflect the principles or policies of either University or the Editorial Committee.
7. The submitted articles will undergo through a blind review policy and will be anonymously reviewed by academic peers.
8. Drawings, photographs, slides, tables, charts, maps etc., must be in black & white, numbered and the sources listed.
9. The main body of original research paper generally contains the introduction, objectives, data and methods, results, discussion and conclusion. However, a review paper may have different sub-headings.
10. Check the manuscript to make sure that all references are cited and that all citations in the text are included in the References.
11. Once papers have been submitted to *Purbanchal University Research Journal*, the content of the paper is embargoed until the time and date of publication agreed. The content of the research should not be discussed or publicized to the media before the official publication date.
12. All manuscripts will undergo some editorial modification, so it is important to check proofs carefully. To avoid delays in publication, proofs should be checked and returned within 48 hours. Extensive changes to the text may be charged to the author.
13. Submission must include a cover page that bears the author's name, an abridged resume of the author, title of the article and an abstract with not more than five key words. The other pages must not contain the name of the author in soft copy.
14. To protect the copyright of the Journal, authors must send a signed copy of the author Disclosure Form for Review and publication. The disclosure form has to be sent separately by each author from their respective email ID.
15. A copy of the manuscript in print and an electronic version should be sent to The Editor, PU Research Journal, Research Centre, Purbanchal University, Biratnagar, Nepal (info@researchpu@gmail.com; minraidhakal@gmail.com; info@prashant@gmail.com).
16. The decision of the Editorial Committee will be the final.
